☑ Printer ☑ Copier ☑ Scanner ☑ Fax

Dependable and affordable, the RICOH IJM C180F is the perfect all-in-one printer for the professional home office.

Working from home shouldn't mean you compromise on technology. With the RICOH IJM C180F colour multifunction printer you don't have to. You can rely on the same quality A4 printing services at home as you'd find in the office – without it demanding space.

The IJM C180F is compact and lightweight. With its touch screen controls, it boasts simple usability and extensive functionality - all designed to complement your home office needs. Support is seconds away via the Ricoh Support Station App – whenever you need it, wherever you are, to keep your business connected (App available via Apple and Google stores).

WiFi comes as standard and the printer easily connects to your mobile device for smart printing. It has built-in ethernet and USB connectivity for convenience. It's also lightweight and easy to move in a home office that's short of space.

Choose the IJM C180F and you'll notice the economic difference of replacement ink. And that's just one benefit:

- Compact and affordable, Ricoh IJM C180F is the perfect fit for the professional home office
- Simple to use and easy to set up
- Prints vibrant colour and black text with a professional finish
- High yield all-in-one, easy to replace print cartridges
- 250 sheet paper input capacity and superior print speed

Connectivity is our priority. Business performance is paramount. Our combined environmental impact is a huge consideration in our product design. IJM C180F offers a superior quality print, user experience, reduces energy and ink consumption – making it the ideal choice for your home office.
